

Friday night lights don't shine much brighter than in West Texas. Teams can hit the gridiron at Lubbock's Lowrey Field, Frenship's Tiger Stadium, Cooper's Pirate Stadium at First Bank Park or AT&T Jones Stadium at Texas Tech University.

Hosting numerous high school playoff games during the season and all-star games in the summer, Lubbock Sports knows football past the Xs and Os. Whether you play 6-man, 11-man or 7-on-7 football, the service and hospitality extends from the stands to the sidelines. Come experience why football is king in West Texas.
